

# E-learning

*Knowledge sharing  
across the organisation*

---

*efficient, educative, e-learning*

---

Knowledge

Experience

E-learning

Digital learning/  
education

## E-learning advantages

*Standardised* learning process,  
delivery **consistency**

*Customised and specialised*  
subjects in a **interactive** format

**Easy access** to the LMS and you  
can easily **re-take** courses

**Improve** performance,  
**decrease** material costs

**Sharp layout & helpful functionality**  
ensure a pleasant user experience  
in both Danish and English

**Operational Readiness, Maersk Oil**, is using e-learning material developed by Ce-Tec A/S for CMS PIMS training purposes (see preview below):

- The course is in English (both written and voice-over)
- Integrated Danish translation functionality on each slide
- The course ends with a multiple-choice test

**MAERSK OIL** CMS PIMS Module A1

### Handover for commissioning - RFCC

**RFCC = Ready for Commissioning Certificate**

- The **RFCC** marks the transition of a subsystem from Campaign Supervisor to Production Supervisor.
- The Production Supervisor, or if delegated, the Commissioning Supervisor, is responsible for the execution of all commissioning and operational activities during the commissioning phase from the receipt of an individual **RFCC** until obtaining a Ready for Operation Certificate (**RFOC**) for the individual subsystem.

## Examples of possible e-learning content

### Procedures

*Principles and how-to-read*

### Documentation

*How to do*

### Instrumentation, tubing & instruments

*How to do*

### HSE

*Introduction Refresher*

### MOTS roll-out

*What is changed? Why?*

- Piping systems
- Bolt Tensioning

- Customised content and visuals.
- UK and DK language options - written and voice-over.
- Interactive elements to improve user experience.
- Multiple-choice tests.

## We can help you:

Transform pre-existing education materials fx. PowerPoint presentations to top-of-the-art e-learning format.

1

Develop customised courses from scratch.

2

Update current e-learning course material.

3
